International Journal of Eating Disorders

Subject Index to Volume 20

ADOLESCENCE

Are obese adolescent boys ignoring an important health risk? Steen et al., 281

Disordered eating and its psychosocial correlates among Chinese adolescent females in Hong Kong, Lee AM and Lee S, 177

Expressed emotion and the prediction of outcome in adolescent eating disorders, van Furth et al., 19

ALCOHOLIC CIRRHOSIS

Possible acceleration of alcoholic cirrhosis in a patient with bulimia, Platis et al., 439

ANOREXIA NERVOSA

A case of comorbid anorexia nervosa, bulimia nervosa, and Munchausen's syndrome, Bulik et al., 215

A mother's complaints of overeating by her 25-month-old daughter: A proposal of anorexia nervosa by proxy, Honjo, 433

Anorexia nervosa: Refeeding and hypophosphatemia, Birmingham et al., 211

Attachment disruption in anorexia nervosa and bulimia nervosa: A review of theory and empirical research, O'Kearney, 115

Delayed detection of pregnancy in patients with anorexia nervosa: Two case reports, Bonne et al., 423

Purging behaviors, suicide attempts, and psychiatric symptoms in 398 eating disordered subjects, Favaro and Santonastaso, 99

The significance of a prior history of anorexia in bulimia nervosa, Sullivan et al., 253

T-Lymphocyte subsets in patients with abnormal body weight: Longitudinal studies in anorexia nervosa and obesity, Fink et al., 295

ARABIC EATING ATTITUDE TEST

Validity of the Arabic version of the eating attitude test, Al-Subaie et al., 321

ATTACHMENT DISRUPTION

Attachment disruption in anorexia nervosa and bulimia nervosa: A review of theory and empirical research, O'Kearney, 115

AXIS-II COMORBIDITY

Prospective study of outcome in bulimics as a function of Axis-II comorbidity: Long-term responses on eating and psychiatric symptoms, Steiger and Stotland, 149

BILIOPANCREATIC DIVERSION

Binge eating in obesity: A longitudinal study following biliopancreatic diversion, Adami et al., 405

BINGE EATING

Binge eating in obesity: A longitudinal study following biliopancreatic diversion, Adami et al., 405

International Journal of Eating Disorders, Vol. 20, No. 4, 457–462 (1996)
© 1996 by John Wiley & Sons, Inc.
CCC 0276–3478/96/040457–06

Do emotional states influence binge eating in the obese? Telch and Agras, 271

Substance use among women with eating disorders, Wiederman and Pryor, 163

BODY DISSATISFACTION

Body dissatisfaction among Chinese undergraduates and its implications for eating disorders in Hong Kong, Lee S, et al., 77

Role of television in adolescent women's body dissatisfaction and drive for thinness, Tiggemann and Pickering, 199

The influence of sexual orientation on body dissatisfaction in adult men and women, Beren et al., 135

BODY IMAGE

Body image assessment and treatment in controlled studies of eating disorders, Rosen, 331

Body shape questionnaire: Studies of validity and reliability, Rosen et al., 315

Development of a body image assessment procedure for children and preadolescents, Veron-Guidry and Williamson, 287

Eating disturbance and body image: A comparison of a community sample of adult black and white women, Wilfley et al., 377

Effect of mood and food cues on body image in women with bulimia and controls, Carter et al., 65

BODY SHAPE

Is body focus restricted to self-evaluation? Body focus in the evaluation of self and others, Beebe et al., 415

BODY SHAPE QUESTIONNAIRE (BSQ)

Body shape questionnaire: Studies of validity and reliability, Rosen et al., 315

BRANCHED EATING DISORDERS TEST (BET)

The branched eating disorders test: Validity in a nonclinical population, Selzer et al., 57

BULIMA NERVOSA

Research on the psychotherapy of bulimia nervosa: Half empty or half full, Mitchell et al., 219

BULIMIA NERVOSA

A case of comorbid anorexia nervosa, bulimia nervosa, and Munchausen's syndrome, Bulik et al., 215

Attachment disruption in anorexia nervosa and bulimia nervosa: A review of theory and empirical research, O'Kearney, 115

Bulimia: A historical outline, Ziolko, 345

Bulimia nervosa in Austria and the United States: A controlled cross-cultural study, Mangweth et al., 263

Bulimic psychopathology and attentional biases to ego threats among non-eating-disordered women, Waller et al., 169

Correlates of severity in bulimia nervosa, Sullivan et al., 239

Effect of mood and food cues on body image in women with bulimia and controls, Carter et al., 65

Insulin response in bulimia nervosa as a marker of nutritional depletion, Russell et al., 307

Low levels of interrater reliability in a standard measure of outcome in eating disorders (the modified Morgan-Russell Assessment Schedule), Freeman RK, et al., 51

Multi-impulsivity among women with bulimia nervosa, Wiederman, 359

Possible acceleration of alcoholic cirrhosis in a patient with bulimia, Platis et al., 439

Prospective study of outcome in bulimics as a function of Axis-II comorbidity: Long-term responses on eating and psychiatric symptoms, Steiger and Stotland, 149

Purging behaviors, suicide attempts, and psychiatric symptoms in 398 eating disordered subjects, Favaro and Santonastaso, 99

Purging and nonpurging forms of bulimia nervosa in a community sample, Garfinkel et al., 231

The significance of a prior history of anorexia in bulimia nervosa, Sullivan et al., 253

Why is attendance variable at groups for women with bulimia nervosa? The role of eating psychopathology and other characteristics, McKisack and Waller, 205

CHILDREN

A mother's complaints of overeating by her 25-month-old daughter: A proposal of anorexia nervosa by proxy, Honjo, 433

Development of a body image assessment procedure for children and preadolescents, Veron-Guidry and Williamson, 287

CHINESE SOCIETIES

Disordered eating and its psychosocial correlates among Chinese adolescent females in Hong Kong, Lee AM and Lee S, 177

CHINESE SOCIETY

Body dissatisfaction among Chinese undergraduates and its implications for eating disorders in Hong Kong, Lee S, et al., 77

COLLEGE STUDENTS

Eating pathology, fat avoidance, and serum estradiol concentrations in young women, Rock et al., 427

COMMERCIAL WEIGHT REDUCTION TREATMENT

Psychiatric symptoms in clients presenting for commercial weight reduction treatment, Goldstein et al., 191

COMORBID EATING DISORDERS

A case of comorbid anorexia nervosa, bulimia nervosa, and Munchausen's syndrome, Bulik et al., 215

CUE REACTIVITY

Effect of mood and food cues on body image in women with bulimia and controls, Carter et al., 65

CULTURAL DIFFERENCES

Bulimia nervosa in Austria and the United States: A controlled cross-cultural study, Mangweth et al., 263

DEPRESSION

Comparison of nutrient intake among depressed and nondepressed individuals, Christensen and Somers, 105

DIABETES MELLITUS (DM)

Hunger sensation in patients with compensated and uncompensated type 1 and type 2 diabetes mellitus, Cugini et al., 85

DIET-INDUCED THERMOGENESIS (DIT)

Resting metabolic rate and diet-induced thermogenesis in restrained and unrestrained eaters, Platte et al., 33

DUAL-PROCESS FAMILY MODEL

Testing a dual-process family model in understanding the development of eating pathology: A structural equation modeling analysis, Leung et al., 367

EATING DISORDER EXAMINATION—QUESTIONNAIRE (EDE-Q)

Assessment of eating disorders: Interview versus questionnaire, Black and Wilson, 43

EGO THREATS

Bulimic psychopathology and attentional biases to ego threats among non-eating-disordered women, Waller et al., 169

EMOTIONAL DISTRESS

Do emotional states influence binge eating in the obese? Telch and Agras, 271

EXPRESSED EMOTION (EE)

Expressed emotion and the prediction of outcome in adolescent eating disorders, van Furth et al., 19

FAMILY RELATIONSHIPS

Testing a dual-process family model in understanding the development of eating pathology: A structural equation modeling analysis, Leung et al., 367

GROUP THERAPY

Why is attendance variable at groups for women with bulimia nervosa? The role of eating psychopathology and other characteristics, McKisack and Waller, 205

HYPOPHOSPHATEMIA

Anorexia nervosa: Refeeding and hypophosphatemia, Birmingham et al., 211

HYPOTHALAMIC OBESITY SYNDROME

Serotonergic agents in the treatment of hypothalamic obesity syndrome: A case report, Jordaan et al., 111

IMPULSIVITY

Multi-impulsivity among women with bulimia nervosa, Wiederman, 359

INPATIENT TREATMENT

Improved eating behavior in eating-disordered inpatients after treatment: Documentation in a naturalistic setting, Andersen et al., 397

INSULIN RESPONSE

Insulin response in bulimia nervosa as a marker of nutritional depletion, Russell et al., 307

LATE-ONSET CASES

Truly late onset of eating disorders: A study of 11 cases averaging 60 years of age at presentation, Beck et al., 389

LAXATIVE ABUSE

Laxative abuse among women with eating disorders: An indication of psychopathology? Pryor et al., 13

LIVER ENZYME ABNORMALITIES

Abnormal liver enzymes in outpatients with eating disorders, Mickley et al., 325

MORGAN-RUSSELL ASSESSMENT SCHEDULE

Low levels of interrater reliability in a standard measure of outcome in eating disorders (the modified Morgan-Russell Assessment Schedule), Freeman RK, et al., 51

MUNCHAUSEN'S SYNDROME

A case of comorbid anorexia nervosa, bulimia nervosa, and Munchausen's syndrome, Bulik et al., 215

OBESITY

Are obese adolescent boys ignoring an important health risk? Steen et al., 281

Binge eating in obesity: A longitudinal study following biliopancreatic diversion, Adami et al., 405

Obesity treated with phototherapy: Four case studies, Bylesjö et al., 443

Psychiatric symptoms in clients presenting for commercial weight reduction treatment, Goldstein et al., 191

Serotonergic agents in the treatment of hypothalamic obesity syndrome: A case report, Jordaan et al., 111

T-Lymphocyte subsets in patients with abnormal body weight: Longitudinal studies in anorexia nervosa and obesity, Fink et al., 295

PATHOLOGICAL EATING BEHAVIORS

The relationship between sexual abuse and eating pathology, Zlotnick et al., 129

PERSONALITY DISORDERS

Prospective study of outcome in bulimics as a function of Axis-II comorbidity: Long-term responses on eating and psychiatric symptoms, Steiger and Stotland, 149

PERSONALITY TRAITS

Correlates of severity in bulimia nervosa, Sullivan et al., 239

PHOTOTHERAPY

Obesity treated with phototherapy: Four case studies, Bylesjö et al., 443

PREADOLESCENCE

Development of a body image assessment procedure for children and preadolescents, Veron-Guidry and Williamson, 287

PREGNANCY

Delayed detection of pregnancy in patients with anorexia nervosa: Two case reports, Bonne et al., 423

PSYCHIATRIC OUTPATIENT POPULATION

Prevalence of eating disorders among Norwegian women and men in a psychiatric outpatient unit, Taraldsen et al., 185

PSYCHIATRIC SYMPTOMS

Psychiatric symptoms in clients presenting for commercial weight reduction treatment, Goldstein et al., 191

PSYCHOTHERAPY

Research on the psychotherapy of bulimia nervosa: Half empty or half full, Mitchell et al., 219

PURGING

Purging and nonpurging forms of bulimia nervosa in a community sample, Garfinkel et al., 231

PURGING BEHAVIOR

Purging behaviors, suicide attempts, and psychiatric symptoms in 398 eating disordered subjects, Favaro and Santonastaso, 99

RACIAL DIFFERENCES

Eating disturbance and body image: A comparison of a community sample of adult black and white women, Wilfley et al., 377

RESTING METABOLIC RATE (RMR)

Resting metabolic rate and diet-induced thermogenesis in restrained and unrestrained eaters, Platte et al., 33

RESTRAINED EATING

Resting metabolic rate and diet-induced thermogenesis in restrained and unrestrained eaters, Platte et al., 33

SELF-CRITICISM

Coping, sexual abuse, and compensatory behavior, Tobin and Griffing, 143

SELF-EVALUATION

Is body focus restricted to self-evaluation? Body focus in the evaluation of self and others, Beebe et al., 415

SEROTONERGIC AGENTS
